

TAKE A STAND FOR OUR HEALTHCARE AND PENSIONS

JACKIE DICKERSON

FOR ERS BOARD OF TRUSTEES

"The ERS Board makes important decisions about our health care benefits and our pension plan. We need Board members that will work to ensure the stability of the plan and not go along with shifting costs to employees and retirees. If elected, I would be proud to represent the interests of front-line state employees on the Board, and would work with current Board member Ilesa Daniels to improve our benefits and to protect our pensions."
