

Stuck between high caseloads, employee turnover and stagnant pay:

PAROLE WORKERS ARE FEELING THE SQUEEZE!

STAND UP AND ORGANIZE FOR CHANGE!

UNION MEMBERS ARE LEADING THE FIGHT FOR:

- increased staffing levels to bring us to a real 60:1 regular caseload standard for Parole Officers (weighted for specialized cases)
- full funding for our health care and pension with no cuts to benefits
- a \$500/month or \$6,000/year across-the-board pay increase for all state workers

Lawmakers are making decisions on these and other issues right now - they need to hear from you! Add your voice to those calling for REAL change at TDCJ Parole.
