**WHEN HHSC OFFICIALS SAY:** *HHSC's 2020-2021 funding request is the culmination of months of evaluation on how we can do more with less. We viewed each request through the prism of two questions: "Is this good for Texas? AND Is this good for our clients?"*

*Talk here!*

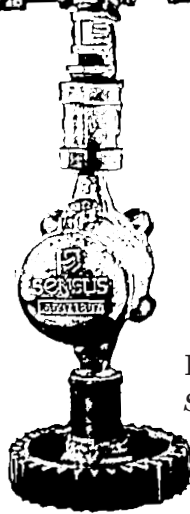

*Ever wondered what our HHSC officials are really trying to say to us?*

## THE STATE EMPLOYEE TRANSLATOR

Maybe this will help our elected and agency leaders understand that state employees have been doing more for less, for too long. A record high staff turnover rate is not good for Texas or our clients!

*Listen here!*

**WHAT THEY ARE REALLY SAYING IS:**

*State Employees need to work harder because Texas refuses to increase staff or pay a competitive wage.*

**Get involved in the movement for a pay raise and enough staff to keep up our state's growing needs!
