Members vote to build union muscle with dues increase UPGRADE YOUR DUES!

Union members' votes are in, and the dues increase measure was overwhelmingly approved. By a margin of 80% to 20%, TSEU members overwhelmingly voted to approve the proposed dues increase, which had already been approved by the TSEU Executive Board and General Assembly. Now, it's time to for all current TSEU members to increase their dues to the newly approved levels.

We have won many victories over the past decade, but there is still a lot of work to do. After ten years without any changes to TSEU membership dues, this dues change was urgently needed to make sure that TSEU has the resources to stop attacks on state employees and state services, and to win improvements in pay, health care, pensions, staffing, and working conditions.

Everything we do, from basic organizing to Lobby Day, takes resources, and every cost, from printing to bus rental, is increasing. It will take more resources to keep on winning.

UPGRADE your dues today! To find out how to increase your dues to the new levels, please contact our main office in Austin at 512-448-4225 OR if you are currently on bankdraft for submitting your monthly dues, you can UPGRADE on the TSEU website at: <https://cwa-tseu.org/upgrademydues/>
