*Here are the legislative goals that TSEU members from SSLCs and State Hospitals chose during General Assembly. Join TSEU to join the fight.*

1. Mandate fixed staffing ratios of direct contact staff to patients/residents that reflect a set ratio as well as number of level of care.
2. Increase longevity pay from \$20 every 2 years to \$50 every 2 years with no cap.
3. Establish the right to representation in the initial investigative process for client abuse and neglect including access to video and all evidentiary information to anyone that the employee has designated as their representative.
