

Collective Bargaining Agreement
between
Workers Assistance Program, Inc.
and
Communications Workers of America, Local 6186, AFL-CIO
2023 – 2028

PREAMBLE

Workers Assistance Program, Inc. ("**Employer**") and CWA – TSEU Local Union 6186., affiliated with the American Federation of Labor and Congress of Industrial Organizations ("**Union**") (the Employer and the Union are hereinafter sometimes together referred to as the "**Parties**" or singly as a "**Party**") mutually recognize that it is in the best interests of all affected parties, that the relationship between them continue to be characterized by mutual cooperation, responsibility and respect. In addition, the Parties are united in our commitment to the Workers Assistance Program, in our shared goal of assuring the continuing strength and growth of our organization.

This collective bargaining agreement ("**CBA**") is made and entered into by and between Workers Assistance Program, Inc., and the CWA – TSEU Local Union 6186, affiliated with the American Federation of Labor and Congress of Industrial Organizations.

ARTICLE I. RECOGNITION

The Employer recognizes the Union as the exclusive collective bargaining representative for all bargaining unit employees hereafter sometimes referred to as "**Employees**" or singly as an "**Employee**"), wherever located. The bargaining unit shall be comprised of all non-supervisory employees of the Employer, including all employees in the job classifications listed in Appendix A and any new non-supervisory job classifications created by the Employer (subject to all conditions or restrictions provided in this CBA).

ARTICLE II. MANAGEMENT RIGHTS

It is agreed by the Parties that all rights, powers, privileges, and authority with respect to the conduct of the business of the Employer and the direction of the Employer's workforce are reserved to the Employer except as expressly limited or provided by the terms of this CBA. The Union waives any rights, including the right to bargain any changes to existing Policies and Procedures of employment, wages, hours, and working conditions, except as such rights are provided herein, and except to the extent the Employer is required to consult, bargain, and/or provide notice pursuant to the express terms of this CBA.

It is further agreed by the Parties that the management of the Employer, the determination of its operations and the direction of the work force shall be vested in the Employer and exercised by its management. The Employer has the discretion, right and responsibility to direct all of its Employees, to select and hire, schedule and assign work, discipline or discharge for just cause, promote, transfer, or lay off employees because of lack of work or other legitimate reasons, except as specifically modified or established by the provisions of this CBA. The Employer has the discretion and authority to amend its existing Policies and Procedures; provided, however, where this CBA provides that the Employer first bargain a change in a Policy or Procedure the Employer shall first bargain with the Union. No unilateral change in a Policy or Procedure shall be inconsistent with an express right or obligation of this CBA. In addition, no change in a term, condition, or rate of accrual of any of the economic benefits listed in the Policies and Procedures may be made without first bargaining such a change with the Union. At least two weeks prior to implementation and at least one week prior to CBU notification, the Employer will notify the designated Union representatives of any changes in the Policies and Procedures that are not required to first be bargained with the Union. At least one week prior to implementation, the Employer will notify the CBU of any changes in the Policies and Procedures. Any current or future language in the WAP Policy Manual shall comply with applicable requirements of the CBA and Labor Law.

ARTICLE III. EMPLOYER REPRESENTATIVES

The Employer shall furnish the Union with a list of designated representatives authorized to deal with the Union and any changes thereof in writing.

ARTICLE IV. COOPERATIVE RELATIONSHIP

The Union and the Employer agree that a cooperative and collaborative relationship is desired and intended, consistent with other provisions of this CBA, on matters that affect the strength of the organization and quality of the services of the Employer.

ARTICLE V. UNION-MANAGEMENT COMMITTEE

The Parties agree to form a Union-Management Committee ("**UMC**") for the purposes of facilitating open discussion of issues that affect the Employer and/or its Employees. The UMC will consist of three (3) members appointed by the Employer and three (3) members appointed by the Union. The Chair of the UMC will be rotated on a meeting-by-meeting basis. The power of the Chair is limited to the orderly conduct of the meetings. At the request of either Party, a UMC meeting shall be scheduled for a mutually agreed time and place within a reasonable period of time after such request; provided, however, that after four UMC meetings have been scheduled in any calendar year, additional meeting(s) shall be scheduled only by mutual agreement of the Parties. If both the Union and the Employer agree, the UMC may meet fewer than four times in any calendar year. Agenda items for a meeting will be submitted to the Chair no less than five (5) working days in advance of each meeting. Any matter that is proposed to be excluded from an agenda by all 3 reps of either side will be excluded from the agenda of a

UMC meeting. The Chair will introduce for discussion all submitted agenda items. The presence of all six UMC members shall be necessary to start or continue a UMC meeting. The UMC may make non-binding recommendations to the Employer and/or the Union. The vote of a majority of the members of the UMC shall be sufficient to make a recommendation. The UMC shall not have authority to alter, change or modify the terms and conditions of this CBA.

ARTICLE VI. UNION SECURITY

Usage of the Union Label. All correspondence transmitted from the Employer's office shall carry a Union Label, except in cases where the work of such correspondence is performed by non-union employees. In that case, it shall be a violation of this agreement for the Employer to permit the usage of the Union Label. The Employer shall have the right to use the Union Label on other work prepared by members of the Union at the Employer's discretion.

ARTICLE VII. CHECK-OFF OF INITIATION FEES AND DUES

Union Information for New Employees:

The Employer agrees to notify new Employees that WAP has entered into a Collective Bargaining Agreement with CWA Local 6186, to inform new Employees of their eligibility to join the Union, to provide the names of the designated Union Stewards, and instruct how they may obtain a copy of the CBA and Dues Authorization Card. The Employer will include on their intranet site introductory information about the Union, including a dues authorization card in the form as attached as Appendix B (as may be modified only with regard to the amount of percentage of applicable dues). The Employer shall include on the intranet site other information about the Union as may be provided to the Employer by the Union for that purpose, unless the Employer reasonably determines that such information would tend to cause disruption in the workplace or create an antagonistic atmosphere among the Employer's Employees. The Union agrees to design and provide any materials to be included in new employee orientation materials on the intranet site.

ARTICLE VIII. PEACE TIME TRAINING AND LOCAL EMERGENCY SERVICE WITH THE ARMED FORCES

Section 1. An Employee who is a member of the National Guard, State Guard, Naval Militia, or Reserve Components of the Armed Forces shall be granted a leave of absence for normal required training, or when ordered out for active local emergency service. Such absence shall not exceed 10 working days, unless otherwise required by applicable law, including Uniformed Services Employment and Reemployment Rights Act (USERRA).

Section 2. Before an Employee is granted absence for conditions set forth above, he/she shall furnish official evidence that he/she has been ordered to duty for the period requested.

ARTICLE IX. PARKING

Employer shall make reasonable efforts to provide adequate parking facilities for all Employees. However, the Union acknowledges that the City of Austin has recently changed its land use regulations to decrease or eliminate the requirement for off-street parking in an effort to encourage the use of public transportation. As the Employer leases almost all of its business premises, the Employer may not have the opportunity to arrange for ample parking facilities for use by Employees. The Employer shall not be required to arrange for off-site parking, nor shall the Employer be required to reject a leasing arrangement that includes fewer parking spaces than the number of Employees anticipated to use the premises if the location and the rents payable are in the best interest of the business of the Employer.

ARTICLE X. BULLETIN BOARDS

The Employer agrees to provide space for a bulletin board to be maintained by the Union in at least one location in each building where Employees regularly perform their job duties that is mutually agreeable to the Union and to the Employer, and is out of view of areas that are open to clients, prospective clients, and users of the Employer's services. The Union may post any lawful communications on this bulletin board that do neither violate any provision of this CBA nor constitute a communication regarding the Employer or the Employer's agents, operations, or clients that is not protected by the National Labor Relations Act as amended.

ARTICLE XI. HEALTH, SAFETY, ENVIRONMENT AND DISCRIMINATORY ACTIONS

Section 1. RESPONSIBILITIES

It is the responsibility of the Employer to provide a safe and healthy workplace free from recognized hazards. The Employer and the Union recognize their obligations and/or rights under existing Federal and State laws with respect to health, safety, environment and discriminatory action matters.

Section 2. FACILITIES

Proper heating, lighting, and ventilating systems shall be installed where needed and maintained in good working condition. Unforeseen periodic system failures, or the failure of systems that are the responsibility of the Employer's landlord shall not constitute a violation of this section. Upon request, the Employer will provide documented efforts to cause the landlord to correct system failures for which the landlord is responsible.

Section 3. EQUAL OPPORTUNITY/REPORT OF ADVERSE CONDITIONS/AFFIRMATIVE ACTION/ADA COMPLIANCE/DRUG FREE WORKPLACE

The Employer and the Union will provide equal opportunity to all persons without regard to race, color, religion, disability, gender/gender identity, sexual orientation, age, or national origin.

Section 4. The UMC described in Article V of this Agreement shall also serve as a Civil Rights Committee for the purpose of discussing and making recommendations to further prevent sexual harassment or harassment of any kind and support diversity and nondiscrimination.

ARTICLE XII. EMPLOYEE DISCIPLINARY PROCESS/EMPLOYEE EVALUATION PROCESS/COACHING

Section 1. Both the Employee Disciplinary Process and the Employee Evaluation Process are subject to the Grievance Procedure.

Section 2. The Employer shall provide notice to an affected Employee not less than 24 hours before a meeting called for the purpose of discussing or administering a disciplinary warning or action pertaining to such Employee. The Employer shall advise the Employee at the time notice of such a meeting is given that the Employee has a right to representation by a Union steward. The Employer shall not be obligated to provide advance notice of any other meetings with Employees, or of the right to Union representation, including a meeting to gather information that is not reasonably expected to lead to a disciplinary action against any Employee included in such meeting. This section shall not be interpreted to prevent the Employer from imposing a disciplinary suspension or termination in appropriate circumstances prior to meeting with the affected Employee and Union representative, subject to review through the grievance procedure.

Section 4. All Employees are entitled to have their performance reviewed at least once annually. If a review has not occurred for longer than a one-year period, the Employee may provide notice to the Human Resources department, after which a review will be expeditiously arranged and completed.

Section 5.

(a) The Employer will consider input from the Union regarding performance criteria and metrics applicable to one or more Employees as set forth in this section. The Employer and the Union acknowledge that the regularly evolving work performed by Employees make it necessary for the Employer to have the discretion to periodically revise the criteria or metrics by which an Employee's job performance will be evaluated ("**Metrics**"). When substantially changing Metrics (other than general behavioral standards), the following procedure shall be used: Notice of the changed Metrics shall be forwarded to the affected Employee(s) by email. Any affected Employee shall have an opportunity not later than five days after the date of such email notice to provide a written statement as to why the Employee believes that the changed Metrics are inappropriate. A meeting shall then be scheduled at a mutually agreed time to occur within a reasonable time thereafter. The meeting shall include all Employees who provided a written response and one Union steward as may be desired by any of such Employees; provided, however, that if more than two Employees provide a written response, all responding Employees shall select two from among them to serve as their representatives (in addition to any one steward) in such meeting. The Employer shall consider any feedback

provided in writing and discussed at the meeting, and may revise the changed Metrics. No notice confirming the original changed Metrics or revising same in response to Employee feedback shall initiate another opportunity for Employees to provide feedback in writing or in a meeting using the procedure described in this Section 5.

(b) Any substantially changed Metrics shall take effect on the date that is five days after email notice of the change is provided by email to affected Employees, except as follows: (1) an amendment of the originally noticed change of Metrics, based on feedback from Employees, shall be effective immediately; and (2) any change in Metrics required by the terms of grant funding or the requirement of any customer or client of the Employer shall be effective immediately.

Section 6. Coaching Although coaching is not a part of the disciplinary process, it is a means for correcting deficiencies before they rise to a level where discipline might be appropriate. WAP Policies reference workplace practices. Nothing in this CBA shall be construed to require that coaching with regard to a behavior or deficiency be effected before disciplinary action may be taken. The Employer shall not be required to provide advance notice of a coaching and an Employee shall not have a right to representation, by a Union steward or otherwise, in connection with a coaching. A coaching shall not be subject to review through the grievance/arbitration procedure of this CBA.

ARTICLE XIII. STEWARDS

Section 1. The Union shall provide written notice to the Employer of the name(s) of the Union Steward(s) and further notice of any changes of Union Steward(s). The number of Union Stewards shall not exceed four (4).

Section 2. The Employer shall provide written notice to Union of the list of designated representatives (who are not in the bargaining unit) who are authorized to deal with the Union on behalf of the Employer, and further notice of any changes in designated representatives.

ARTICLE XIV. GRIEVANCE PROCEDURE

Prior to invoking the grievance procedure and when harassment or employee rights violations are not occurring, Stewards are encouraged to approach the Employer Management Team with their concerns or issues identified by employees. This informal process allows for efficiency and collaboration to occur prior to pursuing a grievance. The deadline for filing a grievance may be extended by mutual agreement of both parties.

Section 1. If an Employee or Employees believe(s) the Employer has violated any of the terms and conditions of this CBA, he/she or they shall have the right to present a grievance in writing as follows:

(a) Any grievance not presented to the Employer for disposition through the grievance procedure described herein within ten (10) working days of the occurrence of the condition

giving rise to the grievance, or within ten (10) working days of the date the Employee reasonably should have known of the facts or conditions giving rise to the grievance, shall not thereafter be considered a grievance and may not be presented for resolution pursuant to this grievance procedure unless otherwise mutually agreed by the Employer and the Union. A grievance is presented to the Employer when hand-delivered or provided by electronic mail to the Employer-assigned electronic mail address of the representative designated by the Employer pursuant to Article XIII Section 2 of this CBA. The deadline for initiation of the grievance process shall not be extended by verbal or written discussion between the Union and the Employer regarding the condition or incident that is the subject of the grievance unless specifically agreed in an exchange of emails between the Union and the Employer.

(b) A grievance shall be in writing and shall include a plain statement of the facts or circumstances alleged to constitute a violation of this CBA, and may include a requested remedy. The grieving Employee(s) may present the grievance first to a Union representative, for preparation and timely presentation to the Employer. The grievance must timely be submitted to the Employer.

(c) Wherever in this grievance procedure notice or a response is required or permitted to be given to an Employee, such notice or response shall concurrently be given to the Union representative indicated on the written grievance. Whenever in this grievance procedure an action is required to be timely, timely action by a Union representative on behalf of a grieving Employee shall satisfy the requirement of timely action.

(d) All deadlines provided in this procedure may be extended by written mutual agreement signed by the Union, the grieving employee(s), and the Employer.

(e) Step 1. The Union and the grieving Employee(s) shall be provided written notice by hand-delivery or electronic mail of an opportunity not more than five (5) business days after presentation of the grievance to meet with either or both of the Employee's immediate supervisors and present any information, including but not limited to written or recorded information, witness statements, and other tangible evidence. The grieving Employee(s) may provide information regarding persons with knowledge of relevant facts, and by mutual agreement of the Employer and the Union representative, one or more third party witnesses, including other employees, may be permitted to make statements and/or respond to questions of the Parties. As Employee(s) and supervisors will be taken away from their regular job duties for the purpose of the meeting, presentations shall be efficient and shall not be longer than reasonably necessary for a fair consideration of relevant information. The date for the meeting shall be by mutual agreement of the Employer and grieving Employee(s) and Union representative designated in the written grievance, by exchange of emails confirming such date. Within five (5) days after the date of the presentation, the supervisor(s) may provide a written response to the grieving Employee(s) and the Union. A grievance shall be deemed denied by the Employer the next business day after the date a response may timely be given by the Employer if no response is made by the Employer. If no written response is timely provided by the Employer, the grievance is deemed to have been appealed to the next step on the date

of the deemed denial of the grievance.

Step 2. If not resolved at the first step, the Employee(s) shall have five (5) business days after the timely written response of the Employer to appeal the action by submitting a written request that the grievance be presented to the representative designated by the Employer to hear the appeal (the "**Employer Designee**"). A failure to timely request a presentation to the Employer Designee shall result in a denial of the grievance and termination of the grievance process as to that grievance (unless the grievance was deemed appealed for lack of a timely written response at the previous appeal level).

The Employer Designee shall schedule a meeting on a mutually agreed date to consider a timely requested appeal. All tangible information and evidence presented at the first step shall be made available to the Employer Designee. The grieving Employee(s) and his/her/their Union representative may attend and shall be given an opportunity to summarize the facts and evidence and argue the alleged violation of this CBA to the Employer Designee. The Employer shall be permitted to provide a similar summary of any evidence and make responding argument. Within five (5) days after the date of the presentation, the Employer Designee may provide a written response to the Union and the grieving Employee(s). The appeal is deemed denied on the earlier of the date of written notice of a denial or the next business day after the last day a written response may timely be provided. If no written response is timely provided by the Employer Designee, the grievance is deemed to have been appealed to the next step on the date of the deemed denial of the grievance.

(f) Mediation. If either the Union or the Employer is not satisfied with the outcome of Step 2, the dissatisfied Party may invoke FMCS Mediation by providing written or electronic e-mail notice to the other party of an election to proceed with Mediation not later than ten (10) business days after the earlier of written notice of outcome of Step 2 or the date of a deemed denial. Due to mediation requiring two amenable parties, the mediation will only be scheduled if both parties agree and see opportunity to come to a resolution. The date for the meeting shall be by mutual agreement of the Employer, the grieving Employee(s), the Union representative designated in the written grievance and FMCS-assigned Mediator, by exchange of emails confirming such date. After the conclusion of a mediation session, within ten (10) business days both parties must either reach a settlement or agree to schedule another mediation session, otherwise the mediation step shall be considered to have concluded.

(g) Arbitration. If either the Union or the Employer is not satisfied with the outcome of the Mediation (or if mediation is not mutually agreed to), the dissatisfied Party may invoke arbitration by providing written or electronic e-mail notice to the other party of an election to proceed with arbitration not later than ten (10) business days after: (i) the conclusion of mediation; or, (ii) if mediation is not agreed, after the date of decision or deemed decision following Step 2.

Section 2. A grievance "general in character" may be initially presented to the Employer at Step 2 of the grievance procedure.

Section 3. The Employer shall furnish in writing to any Employee who is laid off, discharged, or whose services are terminated, the reason for such action.

Section 4. A Grievance regarding a layoff must be filed at Step 2 of the grievance procedure within ten (10) business days from date of Employer's notification to the Employee. Grievances regarding discharges or terminations must be filed in writing at Step 2 of the grievance procedure, ten (10) business days from date of Employer's notification to the Employee.

Section 5. All grievance meetings may be recorded by the grieving Employee, an attending Union representative, or an attending Employer representative, provided that a complete copy of any such recording is provided to all others referred to in this section 5.

Section 6. A supervisor identified and alleged in a grievance to have committed the wrong that is the subject of the grievance may participate in any investigation or review of the grievance, but shall not: (i) be the sole decision maker in ruling on such grievance; or (ii) conduct any interview(s) of the grieving Employee(s). A supervisor identified and alleged in a grievance to have committed any unlawful harassment based on race, color, genetic information, sexual orientation, pregnancy, sex, religion, national origin, age, or disability shall not conduct any interviews of any Employees in connection with the investigation of the grievance.

Section 7. If an Employee voluntarily terminates his/her employment, any outstanding Grievance(s) as pertain to such employee shall terminate on the final date of employment; provided, however that the Union may, within 5 business days of the date of such termination of the grievance, reinstate the grievance to the point in the grievance procedure at the time of such termination by written notice to management if the Union determines that condition(s) originally giving rise to the terminated Grievance(s) may impact other Employees or implicate an alleged right with a generally applicable scope.

ARTICLE XV. ARBITRATION

Section 1. In the event that arbitration is timely invoked, the Parties shall cooperate in providing, within five (5) working days, written notification to the Federal Mediation and Conciliation Service ("**FMCS**") for a list of seven (7) affiliated arbitrators. Upon receipt of the list of FMCS arbitrators the Parties shall meet within five (5) working days to "strike" arbitrators. The first to strike shall be determined by coin-toss. Both Parties will have the opportunity to "strike" any three (3) arbitrators. The remaining arbitrator (the "**Arbitrator**") shall be the one to conduct the arbitration.

Section 2. The Arbitrator shall have jurisdiction and authority to interpret and apply the provisions of this CBA only insofar as shall be necessary for the determination of the grievance. The Arbitrator shall not have the authority to alter, extend, modify or change in any way the provisions of this CBA.

Section 3. The decision of the Arbitrator shall be final and binding on the Parties and may be enforced by any court of competent jurisdiction, subject only to such defenses to enforcement

as are provided by applicable law.

Section 4. One half the cost of administrative fees and Arbitrator fees and expenses in the arbitration shall be paid by each of the Union and the Employer as they are incurred, except that the Arbitrator shall order the losing Party to pay the other's share of such arbitration fees and costs. Where the award of the Arbitrator is mixed and neither side has obtained all relief sought, the Arbitrator may award either side to pay the other's costs of arbitration. In no event may the Arbitrator award either party its attorney's fees incurred in connection with the grievance or arbitration.

Section 5. The administrative fees and Arbitrator fees and expenses in any arbitration proceedings that arose from a grievance that was filed prior to the ratification of this CBA will be shared equally by the Employer and the Union.

ARTICLE XVI. JOB CLASSIFICATION AND WAGES

Section 1. Employees will be classified in accordance with skills used and shall be paid not less than the minimum for such classification in accordance with the table of classification and rates of pay in Appendix "A" which is attached hereto and made a part of this CBA. Employees shall receive wage increases in accordance with the automatic length of service provisions of Appendix "A". No wage rates, titles, ranges or classifications shall be changed except by approval of the Union or except as follows:

- a.) An employee's wages may exceed the applicable wage rate or the high end of range to the extent of a regular length of service wage increase provided in the CBA, or to the extent necessary to offer a competitive wage to a job applicant.
- b.) Where a wage range is provided for a position, the Employer may provide a workload increase in wage rate within the applicable wage range if the affected Employee's job duties are altered to add additional duties applicable to the job classification by providing written notice not later than the end of the pay period prior to the effective date of the change in wage rate. The Union may timely file a grievance in the event that it believes that such increase in wage rate is not based on new altered duties for the Employee or is otherwise in violation of any provision of this CBA.
- c.) For vacancies, new job openings, and as required by funding sources, job titles may be changed as determined by the Employer.
- d.) When a new employee is hired at a rate higher than that of existing employees in the same job, the Employer shall raise the rates of existing employees to rates that are within 5% of the new hire's rate. An employee with at least 2 years seniority shall be paid at least 2% more than a new hire in the same job, unless the new hire brings applicable skills that the senior employee does not possess.

Section 2. All openings in positions covered by the collective bargaining unit and newly created job titles shall be communicated with a current job description to Employees by means reasonably likely to provide notice to all Employees of the opening. Employees shall be given a reasonable time and opportunity to apply for openings included in the collective bargaining unit, and in no event shall notice of such an opening be provided to Employees later than any outside advertisement or solicitation to fill the opening.

Section 3. The Parties recognize that job duties may be consolidated, separated, or new positions created from time to time. The Employer shall provide notice of an intended alteration or addition of a job classification to the Union along with the proposed altered or new job duties and proposed wage rate or range for such new or altered position. The Parties shall then meet within a reasonable time thereafter to bargain only the issue of the new or altered classification and wage rate or range for such new or altered classification and, as applicable, the effects on any Employee(s) whose job is affected by such new or altered job classifications. If the affected position has been filled prior to the time the Parties either agree on the applicable wage or salary or reach impasse on the issue, an interim wage or salary shall be established that is commensurate with the wage or salary of the most closely related position wage or salary in the collective bargaining unit. In the event that the Parties later agree on a wage or salary for the position that is higher than the interim wage or salary, the higher wage or salary shall be applied retroactively from the start of employment in such position by the position-holder.

Section 4. Full-Time/Part-Time. In the CBA, the words “**full-time Employees**” shall mean all Employees whose hours of work are forty (40) hours weekly or more. The word “**part-time Employee**” when used in the CBA shall mean all Employees who normally and regularly work less than forty (40) hours weekly. Seniority rights and privileges shall be applied according to status as either full-time or part-time, so that a part-time Employee shall have no right, privilege or preferential treatment on account of seniority with respect to a full-time position, and a full-time Employee shall have no right, privilege or preferential treatment on account of seniority with respect to a part-time position. (See article XXIII for priority in elimination of part-time positions first in the event of a layoff.)

Section 5. During the term of this CBA, the Employer will undertake a project to review and compare salaries for work comparable to the work performed by Employees. The Employer shall present to the UMC, at least once annually any such information compiled or prepared by the Employer.

ARTICLE XVII. TRAVEL

The general guidelines for travel are that it be necessary for service operations, that economy be exercised, and that all costs are justified and fully supported by appropriate documentation and original receipts. Employees are expected to bear the cost of travel between home and the office (both ways) without reimbursement. However, travel between home and a business

appointment (both ways), or between the office and a business appointment (both ways), is reimbursable, whether in-town or out-of-town. The Employer's policies, as may be amended from time to time and consistent with this CBA shall be controlling.

Article XVIII. Temporary Employees

The Employer may from time to time employ temporary employees for periods of time not to exceed 120 days, for special unforeseen temporary projects, or to substitute for an Employee temporarily absent. Such temporary employees shall not be entitled to use of the grievance procedure or accrual of any benefits. Wages payable to such a temporary employee may vary from the wage applicable to the most comparable position in the collective bargaining unit. After 120 days of employment, the temporary position will be converted to a regular full or part time position, or shall be terminated.

ARTICLE XIX. Part-time Employees and Independent Contractors

The Employer and the Union recognize that most work will be performed by full time Employees in accordance with the Employer's historic practices. Notwithstanding the foregoing, the Union acknowledges that the Employer has historically engaged independent contractors from time to time to provide trainings or counseling services. The Employer will consult with the Union before making changes in connection with services provided to employers or clients existing at the commencement of the CBA that results in a reduction of the number of full time Employees included in the collective bargaining unit or transfer of such work performed by full time Employees at the commencement of this CBA to part time Employees or independent contractors.

ARTICLE XX. INTRODUCTORY-PERIOD

A new Employee shall not become a permanent Employee until after an introductory period of one hundred twenty (120) calendar days after the commencement of employment, during which period the provisions of this CBA shall be applicable except that no disciplinary action, termination, transfer, or alteration of job duties with respect to such Employee during the introductory period may be the subject of a grievance.

The Employer may extend any probation an additional two (2) months, at the Employer's discretion. The period of time added to the initial probationary period is referred to as "the extended probationary period." Notice of an extension of the initial probationary period must be provided to the Employee in writing prior to the expiration of the Employee's initial probationary period and must state the reason for the extension.

ARTICLE XXI. SENIORITY

Section 1. In all cases of increase or decrease of personnel, promotions or demotions, seniority shall be given the effect provided in this Article XXI.

Section 2. Introductory Period. A new Employee shall not become a regular Employee until after a introductory period in accordance with Article XX of the CBA, during which period he/she may be discharged or terminated at the Employer's discretion without resort to the grievance/arbitration procedures of Article(s) XIV and XV.

Section 3. All Employees on the date of the execution of this CBA shall be assigned a seniority date upon which the Employee began his/her first continuous employment with the Employer. Persons employed thereafter, after completing the trial period, shall be assigned a seniority date which shall be the date upon which the Employee last began employment with the Employer. A laid off Employee who is recalled will retain the prior seniority accrued before his or her lay off.

Section 4. Full-time Employee's seniority shall be considered the length of that Employee's continuous service with the Employer from the first date of employment. Part time Employees seniority calculations shall be the same as full time Employees. Seniority shall accrue during authorized leaves.

Section 5. Lay-Offs. In case of lay-off due to reduction in force, the following shall apply. Where a job position is being eliminated, the holders of such position shall be laid off in order of least seniority. For the purposes of lay-offs, Employees who are in the disciplinary process do not accrue seniority during their probation period. When Employees are called back to work no later than two years after being laid off, the last laid off shall be the first called back, provided the Employee has not been laid off more than two years. Employees on a laid-off status, as a result of reduction of force, shall retain all seniority for a period of two years from date of lay-off; however, no Employee shall accrue seniority while on laid-off status. After an Employee has been laid off for a period in excess of two calendar years, the Employee shall have no right to preferential re-employment with the Employer.

Article XXII. Promotions

Section 1. Promotion is hereby defined as a move from a lower classification to a higher classification. It is the intention of the Employer, when reasonably possible and consistent with the needs of the Employer's business, to fill job vacancies in positions included in the bargaining unit from among existing Employees before hiring new Employees when an existing Employee with the necessary qualifications and skills to fill the vacant position is available.

Section 2. Subject to the following sentence regarding seniority, when a position included in the collective bargaining unit is filled as a result of a promotion, the selection of a candidate shall be made on the basis of qualifications. In the event that two or more qualified Employees have the same relative qualifications, the Employee with the greatest seniority shall be selected for promotion.

Section 3. Qualifications. The following factors may be considered when determining qualifications in connection with layoff, promotion or transfer: Job performance; special training skills; degrees, licenses and certifications; job specialty and responsibilities; and supervisor input.

Section 4. Trial Period: Promoted and transferred Employees are subject to a trial period in the newly promoted or transferred position up to but not exceeding 120 days. If service is not considered satisfactory by the Employer or if the Employee requests restoration to his/her prior position before the end of such 120-day period, the Employee will be restored to his/her prior position. If the prior position has been filled, the Employee is allowed to apply to an available position with comparable or less wages and comparable job duties, which the Employee is qualified to perform. If the Employee requests restoration to his or her position within 2 weeks after the commencement of the promoted position, the Employee shall be restored to his or her prior position. If there are no positions available that the Employee is qualified to perform, the Employee will be laid off and retain the right to be recalled for up to two years. Employees employed for one year or more shall retain accrued and unused paid leave upon promotion.

ARTICLE XXIII. LAYOFFS

The Employer intends to minimize the negative impact on current Employees if a reduction in the work force becomes necessary. However, from time to time, cutbacks or reductions may be unavoidable due to forces beyond the Employer's control. In some cases, a program may have to be reduced in size or terminated entirely if funds for its operation are no longer available. If this type of cutback must occur, the Employer will reduce staff using the following options:

- Voluntary reductions in the work force. This includes Employees who take early retirement, leaves of absence or reductions in hours, and volunteers for layoffs who are not determined in the Employer's discretion to be critical.
- Attrition.
- An attempt will be made to transfer Employees from terminated positions to other vacant positions if the Employee meets the qualifications of the position and has satisfactory performance evaluations.
- In determining which Employees will be laid off, the Employer will consider the following factors:
 - a) Seniority
 - b) Job performance
 - c) Special/Priority skills
 - d) Job specialties and responsibilities
 - e) Supervisor input

The Employer shall provide notice to Employees subject to a lay-off action and shall inform such Employees of the beginning date of layoff. Such notice shall be provided not less than 30 days prior to the effective date of the layoff, or in lieu of such advance notice, the Employer may pay

the Employee a severance payment equal to two weeks' pay at the Employee's regular wage or salary. Within six (6) days after the date the layoff is effective as to an Employee, the Employee will be paid for unused accrued PTO. An Employee who believes he or she has not been treated in accordance with the terms of this CBA in connection with a layoff or recall should notify the Employer's Human Relations Department immediately, but not more than five (5) working days after the alleged violation of this CBA. If the situation is not resolved to the Employee's satisfaction, the Employee may file a grievance not later than five (5) days after the alleged violation of this CBA.

Laid-off Employees will retain the right to be recalled from lay-off for up to two (2) years. Written notice of a re-call shall be forwarded to an Employee's last known address, and concurrently provided to the Union. An Employee who fails to respond in writing to a notice of recall within seven (7) days of the date notice is forwarded to the Employee's last known address, or who does not agree to a date to return to work that is within 14 days after the date of the notice of recall will forfeit the right of recall.

ARTICLE XXIV. TERMINATION

Section 1. In case of termination for cause such termination shall become effective immediately upon written notification by the Employer.

Section 2. If termination comes as a result of death of an Employee, the Employee's spouse or other person designated in writing by the Employee as the Employee's beneficiary for such purpose shall be entitled to payment for all earned and unpaid wages or salary prior to death and accrued and unused PTO. In the event of a dispute among the Employee's surviving family or those claiming a beneficiary status, the Employer may pay such amounts into the registry of the court in any suit over entitlement to such amounts, or withhold payment until the proper beneficiary is determined by a court or other proper authority.

Section 3. When submitting notice of resignation, Employees may provide more than two (2) weeks' notice but will not be required to give more than two (2) weeks' notice in any instance. The Employer may determine the final day of work following notice of resignation, at the Employer's discretion.

ARTICLE XXV. TIME AND ATTENDANCE

Section 2: Salaried employee Leave Requests will be filled out for full days out of the office for planned leave (vacation or PTO) or full sick days. The Employer's time-keeping software or other system for tracking time worked will reflect only the actual hours worked.

Section 3: Salaried employees who are traveling more than 50 miles from the employee's regular workplace with the Employer will report hours worked; otherwise entry in the Employer's time-keeping software or other system may default to note a regular 8-hour day.

Approval of such a request may be premised on coverage requirements for the affected department. Requests for a temporary change in schedule will follow the established procedure in the Employer's Policy and Procedures manual, as amended from time to time.

Section 5: All matters regarding time & attendance not specifically addressed in this CBA are governed by the Employer's Policy & Procedures manual, as amended from time to time.

ARTICLE XXX. SCOPE AND SEVERABILITY

Section 1 Scope of CBA

This CBA supersedes all prior agreements, commitments and practices, whether oral or written, between the Employer and the Union and between the Employer and any of the covered Employees and expresses and includes all obligations and restrictions imposed on the Employer. This CBA can be amended at any time by mutual consent of the parties. Any such amendment shall be reduced to writing and signed by the Parties.

Section 2 Severability

The provisions of this CBA are deemed to be severable to the extent that if and when a court of competent jurisdiction determines a provision to be invalid, void, or unenforceable, such determination shall not affect the validity of the remaining provisions of this CBA.

ARTICLE XXXI ECONOMIC PROVISIONS

(a) Wages or salary ranges for each job title or classification for the first year of this CBA are set forth in the attached Appendix A.

(b) WAP employees shall each be paid an annual sum of \$100 net per year, on their individual anniversary dates, to offset equipment costs involved with working from home.

(c) On the effective date of this CBA, health, vision, dental, \$20,000 of life/AD&D and voluntary life/AD&D insurance coverage is made available to employees. Optional enhanced coverage is available with the Employee paying all the additional premium in excess of the employer contribution for basic coverage. The Employer currently pays 75% of the premiums for the basic health and dental coverage for employees who work 30 hours/week or more, as well as 75% of the premiums for coverage under the same plan for the spouse, children, or family for such employees. The Employer pays 50% of such premiums for employees (and for their spouse, children, or family coverage) who work less than 30 hours/week. Employees currently pay the full cost of premiums for vision and the voluntary life/AD&D coverage.

Renewals of these coverages occur on an annual basis. Regardless of the insurance carrier selected for renewal coverage, minor changes to the coverages provided may occur as a result of changes in requirements pursuant to applicable law affecting employer-provided insurance coverage. The Employer shall in good faith endeavor to maintain comparable coverages at comparable costs to employees from year to year during the term of this agreement; however, the parties agree that the Employer shall not be obligated to do so in the event of a "triggering increase."

(1) In the event that the cost to the Employer for such coverages per employee increases by an amount in excess of 7.5% (a "**Triggering Increase**") in any one year the following shall apply: As soon as practicable after learning of a proposed increase that will result in a Triggering Increase, the Employer may provide notice to the Union of the proposed cost of continuing or renewal coverages, as applicable, and shall expeditiously confer with the Union at such reasonable time(s) agreed by the Employer and the Union for the purpose of determining an alteration of coverages, provider, or of the percentage of premiums for such coverages to be paid by employees that results in a total cost per employee to the Employer for employee insurance coverage that is not more than 7.5% above the prior year.

The Union may propose to drop the level of coverage or increase deductibles so that the cost remains similar to the prior year. The Employer may agree or provide substantial reason to decline those proposals. In the event of disagreement over the preferred mix of adjustments

proposed by the Union, the parties shall expeditiously and reasonably bargain the issue. Absent an agreement, impasse shall be deemed to have been reached on the earlier of: (i) the date that is 14 days after the notice of a Triggering Increase is provided by the Employer to the Union; or (ii) thirty days before the date an increase in cost constituting a Triggering Increase will go into effect. In the event that the Employer and Union do not timely agree on an alternative, the Employer may select any mix of coverages and employee contributions to premiums that most closely approximates the then existing coverages and employee contributions to premiums while not resulting in a Triggering Increase.

(e) The Employer may, from time to time, provide additional incidental benefits or programs to be made generally available to employees. By way of example only, the Employer has experimented with the provision of paid short periods of time for exercise. Similar new incidental benefits may be provided, or may be discontinued provided that the Employer provides written notice to the union not less than five (5) days of the instigation or discontinuance of such an incidental benefit or program.

(c) A list of other benefits currently provided may be found in the Employer's policy manual.

This CBA between the Employer and Union shall continue in full force and effect through the date that is five years after the commencement date of this CBA. This CBA shall automatically renew for a period of five years at the end of its term and thereafter on the anniversary date of each renewal unless either Party, at least forty-five (45) days prior to the expiration of the original or a renewal term, as applicable, gives notice in writing to the other Party of its desire to renegotiate this CBA.
